UPTOWN

ISSUE #15 • SPECIAL ISSUE • JULY 1994

Welcome to our third special issue!

*UPTOWN's* previous bootleg issue (*UPTOWN #4*) attracted a lot of attention. The response showed that these records mean a lot to many fans, and most people were very pleased that we provided an informative guide, thus making it easier for fans to avoid being ripped off.

Bootlegs are illegal to sell because they have been issued without the authorization of the record company or person who owns the rights to the recordings they include. When an artist signs a contract with a record company, it is usually exclusive, meaning that no one else has the right to issue material recorded during the period that the contract is effective. This gives the record company ownership together with the artist of all recordings they release, as well as all studio material that they choose not to release, and all live recordings made during the same period.

The establishment line on bootlegs is that they are a curse on the record industry, because they take money away from the "hard working" record labels, songwriters and artists, none of whom receive any royalties on bootlegs. They also claim that sales of bootlegs harm the sales of official product; people are spending money they would set aside for buying the new Prince album, and are picking up a (much more expensive) Prince bootleg instead.

It is very easy to identify with both sides: as a fan you want to hear material that would otherwise have remained a secret; but as an artist, you can appreciate not wanting your audience to hear your moments of disaster in the studio or on the stage.

Supporters of bootlegs would have to concede the point that it isn't right that the creators and owners of a piece of music should receive no money when it is sold. But in answer to the industry's second point, they would say that 99.9 per cent of all bootlegs are sold to the people who already have got most of that artist's official releases. In other words, only die-hard Prince fanatics, who buy his albums and singles the week they come out, are going to bother to buy live tapes or studio outtakes by him. According to this argument, a casual buyer would always choose an official album in preference to a bootleg.

It is quite understandable that there is a strong division of interest when it comes to bootlegs, between the fans who want every imaginable recording by their favourite artists, and the performers and record companies who don't receive any money on the products.

Even though it is illegal to sell bootlegs, it would be naive to close our eyes to the fact that there is a flourishing black market in these items. Certainly, few collectors could put their hand on their heart and swear that they have never been tempted by a bootleg.

The editorial policy of *UPTOWN* concerning bootleg records is one of assessment of material only. We don't want to encourage fans to buy these records; they're usually very expensive and the sound quality is often disappointing. *UPTOWN's* aim is simply to report what is available. This discography contains details on around 200 records that have been released since April 1992, when *UPTOWN #4* was published.

# THE DEFINITIVE PRINCE BOOTLEG DISCOGRAPHY pt. II

Compiled by AXEL ENGELHARDT and the rest of the UPTOWN staff, with lots of help from LUTZ JUNKER.

This discography contains all known Prince bootlegs released since *The Definitive Prince Bootleg Discography* (UPTOWN #4), published April 1992. The list does not include DJ mixes or albums containing only remixes. Interview records and recordable CDs are also excluded.

#### The quality grading:

**EX** excellent quality. A lot of the outtake and rehearsal material is "EX." When it comes to the concerts that are "EX," they are usually from the soundboard or a radio/TV broadcast of the concert. "EX" doesn't necessarily mean that the quality is perfect, but it's usually a lot better than the "VG" category.

**VG** very good quality. This is a wide category. Most concerts recorded by audience members are "VG."

**G** good quality. Very few releases these days are "G," which is actually pretty poor quality.

Remember that the quality grades are estimates. It's often very difficult to judge the sound quality.

The date given for aftershow performances is the date prior to midnight regardless if the concert began before or after midnight.

The following song titles have been used throughout (incorrect titles used previously in brackets):

"The Ball" ("Crystal Ball")

"Crystal Ball" ("Expert Lover")

"In A Large Room With No Light" ("Welcome 2 The Ratrace")

"Last Heart" ("If U Break My Heart One More Time")

"Moonbeam Levels" ("A Better Place 2 Die")

"Villanova Junction" ("Woodstock Instrumental")

All cover reproductions are from CD releases except where indicated.

## A Time 2 Dream

Quality: VG to EX.  
Format: CD.

Comments: Confusing mix of live tracks and outtakes. All the outtakes are available on other releases in better quality. Compilation albums like this is a waste of money.

## Act 1 (Live In Chicago/4th April 1993)

Quality: VG+.

Format: Double CD.  
Comments: One of two different releases (the other is *Gangster Grooves*) from the same concert, which was one of the best of the Act 1 tour. The two records came out simultaneously, so neither can be considered a re-issue of the other.

## Act Deux Paris 1993

Quality: VG.  
Format: Double CD.  
Comments: 200 of the 1,000 copies are numbered and have a gold-embossed cover. The September 1st Paris concert was one of the most inspired of the entire Act II tour.

## Act II Rehearsal – Holland

Strange Relationship / Blue Light / The Ryde Divine / Pope / Thunder – When Doves Cry – Nothing Compares 2 U – And God Created Woman – Diamonds And Pearls / My Name Is Prince.

Format: CD.  
Comments: Very interesting pre-concert soundcheck, with work being done on "The Ryde Divine" and "Pope" amongst others.

Sources: Outtakes and \*live session 1982–89.

Quality: VG to EX.

Format: CD.

Comments: The inclusion of the "fourth" version of "Soul Psychodelicide" is noteworthy, but otherwise this release is uninteresting.

## Big Tall Wall

I Wonder / Old Friends 4 Sale '91 / Get Blue / Big Tall Wall / 5 Women / Gett Off\* / 4 Love\*\* / Rockhard In A Funky Place / We Can Funk / Old Friends 4 Sale / Soul Psychodelicide.

Sources: Outtakes. \*DJ remix. \*\*12" version of the Jill Jones track.

Quality: VG.

Format: CD.

Comments: Also includes a "faked" outtake called "Hot Sauce," which definitely isn't Prince. Overall, a not too impressive release.

## Birthday Gig (Happy Birthday – Prince)

Source: Cobo Arena, Detroit, 7 June 1986.

Quality: EX–.

Format: CD.

Comments: A very nice release of the 1986 birthday concert, taken from the TV broadcast.

## Birthday Partying

17 Days / Our Destiny / All Day, All Night / Free / Noon Rendezvous / Erotic City / When Doves Cry / Happy Birthday / Irresistible Bitch / Possessed.

Sources: First Avenue, Minneapolis, 7 June 1984.

Quality: VG.

Format: CD.

Comments: Limited edition of 555 numbered copies. Very interesting concert which included many songs that were not yet released at the time, including "Our Destiny."

## Black Album And...

Le Grind / Cindy C / Dead On It / When 2

R In Love / Bob George / Superfunkycalfragisexy / 2 Nigs United 4 West Compton / Rockhard In A Funky Place / Sign O' The Times\* / Play In The Sunshine\* / Little Red Corvette\* / Housequake\* / Slow Love\* / Could Never Take The Place Of Your Man\* / Hot Thing\* / Now's The Time\*.

Sources: The Black Album and the \*soundtrack to the Sign O' The Times film.

Quality: EX.

Format: CD.

Comments: Who needs a release with an incomplete soundtrack to the Sign O' The Times film and another re-issue of the Black Album?

## Black MF

The Sacrifice Of Victor / House In Order / The Undertaker / Black MF In The House / Race / Blue Light / Delirious / drum solo / The Ride / Bambi / Jailhouse Rock / Poor Goo / Come / Endorphinemachine / Peach. Source: Rex Club, Paris, 31 August 1993. Quality: VG.

Format: CD.

Comments: The last part of the concert (from "Pop" to "Johnny") is not included on this release. This CD comes in a digi-pack.

## Black MF In Les Bains

Goldnigga / Black MF In The House / Call The Law / Gett Off / Get Up (I Feel Like Being A) Sex Machine / Villanova Junction / Jughead – Set 2 The Stage / The Sacrifice Of Victor\* / Sexy MF – Love 2 The 9's\* / Damn U\* / Eye Wanna Melt With U – 3 Chains O' Gold\* / Jealous Again\*\* / Player\*\*\*.

Quality: VG.

Format: CD.

Comments: One of the few unannounced appearances on the Diamonds And Pearls tour. The CD doesn't contain the entire concert, though. A part of the concert is also available on Peach – Act 2 August 1993 in slightly better quality. The song listed as "Set (should be 'Step') 2 The Stage" is basically a continuation of "Jughead," with rapping by Tony M.

## Blue

I Hear Your Voice / Come / Endorphinemachine / Deuce & A Quarter\*\* / 2gether\*\* / Tender Heart / Race / I Need Love\* / This Groove\* / Allegiance / Johnny\*\* / Kiss / Goldie's Parade\*\* / The Voice / Space / Making It Easy\* / Black MF In The House\*\* / Goldnigga\*\* / Pheromone / We Can Funk\* / Booty\* / 51 Hours / Insatiable / the "lost" Love Symbol/Androgyny segues.

Sources: Outtakes. \*George Clinton tracks. \*\*From Goldnigga, the album with The NPG.

Quality: VG to EX.

Format: Double CD.

Comments: Comes with nice full-colour eight-page booklet with details about the songs. Prince's involvement in the Clinton tracks is uncertain.

## Blue

Format: CD.

Comments: One of many re-releases of Minneapolis, 21 March 1987. This is a CD in a series of nine releases with colours as titles. All are re-releases and of little interest.

## Bodyheat

Housequake / It's Gonna Be A Beautiful Night / jam / Bodyheat / Just My Imagination / Irresistible Bitch\* / Free\* / Something In The Water (Does Not Compute)\*.

Sources: Quasimondo, Berlin, 14 May 1987, and \*rehearsals.

Quality: EX.

Format: CD.

**Comments:** The Buenos Aires concert was previously not circulating on audio tape. According to press clippings, Prince supposedly left the stage nine songs into the Buenos Aires concert, but this CD shows this wasn't the case. The CD seems to contain the entire concert, 76 minutes.

### 87' Laments...

Format: CD.

**Comments:** Palais Omnisport de Bercy, Paris, June 1987. Previously released on Wonderboy. Besides a regular release, 87' Laments... was also released as a limited edition of 250 copies in a metal box.

Source: Rehearsals for the First Avenue concert, 3 August 1983.

Quality: VG+.

Format: CD.

**Comments:** Highly interesting release, which shows Prince in an early rehearsal for the legendary August 3rd concert. Many of the songs were new to the band. Prince is yelling out the chord changes to songs like "Electric Intercourse" and "Purple Rain."

### Estandard

The Sacrifice Of Victor / Black MF In The House / Race / The Ride / Honky Tonk Women / Jailhouse Rock / Come / Endorphinemachine / Peach / The Undertaker / Sing A Simple Song - You Can Make It If You Try / House In Order / Johnny / Race\* / Johnny\*.  
Source: Estandard, Barcelona, 22 August 1993. \*Park Lane, Gothenburg, 6 August 1993.

Quality: VG+.

Format: Double CD.

**Comments:** The Barcelona concert was one of the best aftershows on the Act II tour. Prince was in a very relaxed mood and did some songs he never played elsewhere. Comes with eight-page booklet in full colour. The two tracks from the 20-minute Gothenburg appearance is a nice bonus.

### European Tour '93 - Act II (Live In England)

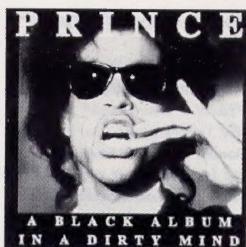

My Name Is Prince / Sexy MF - Love 2 The 9's / The Beautiful Ones / Let's Go Crazy / Kiss / Irresistible Bitch / She's Always In My Hair / Raspberry Beret / Sometimes It Snows In April / The Cross / Sign O' The Times / Purple Rain / Venus De Milo - Under The Cherry Moon - Blue Light - Delirious / Little Red Corvette / Strollin' / Scandalous / Girls And Boys / instrumental / 7 / Come / Endorphinemachine / Peach / Johnny / Pope\* / Thunder - When Doves Cry - Nothing Compares 2 U - And God Created Woman - Diamonds And Pearls\* / My Name Is Prince\*.  
Source: Dome, Tokyo, 3 April 1992.

\*New Orleans, 25 February 1982.

**Quality:** EX.

**Format:** CD.

**Comments:** Released in a round metal can box. The complete Tokyo and New Orleans concerts are available on many other releases.

## Funk You Very Much

**Format:** CD.

**Comments:** Re-release of part of Stage-tronic CD (Rotterdam, 28 May 1992).

## Funky Party 2 Nite

**Format:** CD.

**Comments:** Re-issue of Head (Paris, 25 August 1986).

## Funky Vibrations

Vibrator / The Screams Of Passion / Erotic City\* / White Girls\* / Lovesexy\* / The Cross\* / I Wish U Heaven (three takes)\* / Cross The Line.

**Sources:** Outtakes and \*rehearsals.

**Quality:** VG.

**Format:** CD.

**Comments:** Pointless release since everything is already available.

## Gangster Grooves

**Format:** Double CD.

**Comments:** Same contents as Act I (Live In Chicago / 4th April 1993). The quality is similar.

## Get On Up

My Name Is Prince / Sexy MF - Love 2 The 9's / Damn U / The Max / The Morning Papers / Peach / Blue Light / The Continental / Everybody Get On Up - Get On Up - Tighten Up / The Flow / Johnny / Eye Wanna Melt With U - Sweet Baby - And God Created Woman - 3 Chains O' Gold / instrumental / 7 / Let's Go Crazy / Kiss / Irresistible Bitch / She's Always In My Hair / Insatiable / Scandalous / Gett Off / Goldnigga / Purple Rain / Partyman - Loose / 1999 - Baby, I'm A Star - Push.

**Source:** Radio City Music Hall, New York, 25 March 1993.

**Quality:** VG.

**Format:** Double CD.

**Comments:** An unremarkable Act I concert. All three New York concerts are available on CD. The 24 March was released on Licence To Funk (and re-issues) and the 26 March concert on Oh Oh Ohhh. The two first shows (24 and 25 March) contain the same songs, while the third show (26 March) saw the addition of "When You Were Mine."

## Get Stupid

Intro / Thunder / Daddy Pop / Diamonds And Pearls / Let's Go Crazy / Kiss / Dead On It - Jughhead / Purple Rain / Live 4 Love / Lively Up Yourself - Willing And Able / Nothing Compares 2 U / Sexy MF / Thieves In The Temple - It / A Night In Tunisia - Strollin' - Insatiable / Gett Off / The Flow / 1999 - Baby, I'm A Star - Push - A Love Bizarre - My Name Is Prince.

**Source:** Olympiahalle, Munich, 6 June 1992.

**Format:** Double CD.

**Quality:** VG+.

**Comments:** One of the most inspired 1992 concerts. This double CD was released in a limited edition of 500 numbered copies. Includes a booklet with live photos and a description of the concert. The first 10 copies are said to come in a special yellow box that includes a T-shirt, a 1992 photograph and a black jacket with Prince's new "love symbol" on the back.

## Globequake

DAT Intro / The Future / 1999 / House-

quake / Sexy Dancer / Kiss - I'm In The Mood / Purple Rain / Take Me With U / Bambi / Alphabet St. - It Takes Two / Do Me, Baby / The Question Of U - Electric Man / When Doves Cry / A Song For You / Little Red Corvette / Batdance / Partyman - What Have You Done For Me Lately / Baby, I'm A Star - Whatever I Play It's Got To Be Funky / Batdance\* / Electric Chair\* / Lemon Crush\* / Sex\* / Partyman\* / I Love U In Me\* / Trust\* / 200 Balloons\*.

**Sources:** Globe Arena, Stockholm, 12 August 1990 and \*remixed tracks (not out-takes).

**Quality:** VG.

**Format:** Double CD.

**Comments:** This is the complete second Stockholm 1990 concert, which was one of the best on the Nude tour. The so-called Batman rehearsal session (the tracks asterisked above) are just re-mixed fakes.

## Goldnigga

Goldnigga Pt. 1 / Guess Who's Knockin' / Oilcan / Deuce & A Quarter / Black MF In The House / Goldnigga Pt. 2 / Goldie's Parade / 2gether / Call The Law / Johnny / Goldnigga Pt. 3 / 2gether (12" Mix) / 2gether (Interview) / 2gether (Enlightenment) / 2gether (LEEP Mix) / 2gether (Instrumental).

**Sources:** The complete NPG Goldnigga album and all the remixes of "2gether" from the maxi-CD.

**Quality:** EX.

**Format:** CD.

**Comments:** Excellent release of The NPG's funky but underrated album.

## Green

**Format:** CD.

**Comments:** Re-release of the first part of Het Paard van Troje aftershow.

## Happy B.Day!

Free / Noon Rendezvous / Erotic City / Something In The Water (Does Not Compute) / When Doves Cry / Irresistible Bitch / Possessed / Gotta Shake This Feeling, Baby\*.

**Sources:** First Avenue, Minneapolis, 7 June 1984. \*Rehearsal 1984.

**Quality:** VG.

**Format:** CD.

**Comments:** A half-baked release of the birthday concert. Birthday Partying is a much more impressive release of the concert.

## Head

Around The World In A Day / Christopher Tracy's Parade / New Position / I Wonder U / Raspberry Beret / Delirious / Controversy / A Love Bizarre / Do Me, Baby / How Much Is That Doggie In The Window! - Automatic / D.M.S.R. / When Doves Cry / Under The Cherry Moon / Anotherlover-holenohead / 17 Days / Head / Pop Life / Girls And Boys / Life Can Be So Nice / 1999.

**Sources:** Le Zenith, Paris, 25 August 1986.

**Quality:** EX.

**Format:** Double CD.

**Comments:** A fantastic soundboard recording of the main part of the Paris '86 concert. The encores are missing. Apart from a few mistakes on the sleeve, this is a terrific release.

## Heaven Must Be Near

Heaven Must Be Near / Last Heart / Witness / Grand Progression / Manic Monday / Power Fantastic / Electric Intercourse\* / Crucial / In A Large Room With No Light / Eternity / The Screams Of Passion\*.

**Sources:** Outtakes and \*rehearsals.

**Quality:** G to VG.

**Format:** CD.

**Comments:** Nothing new or interesting except an unreleased version of "Heaven Must Be Near," which hasn't been available on record before.

## Hits Live

Controversy (1) / Sign O' The Times (2) / Girls And Boys (2) / Purple Rain (2) / 1999 (2) / Kiss (3) / When Doves Cry (4) / Batdance (4) / The Question Of U (4) / Live 4 Love (5) / Sexy MF (5) / Cream (5).

**Sources:** (1) New Orleans, 25 February 1982. (2) Palais Omnisport de Bercy, Paris 1987. (3) First Avenue, Minneapolis, 21 March 1987. (4) Dome, Tokyo, 31 August 1990. (5) Ahoyhal, Rotterdam, 28 May 1992.

**Quality:** Mostly EX.

**Format:** CD.

**Comments:** Compilation releases like these are utterly disappointing and an insult to the serious collector.

## Hold Me

Come / Endorphinemachine / Space / Pheromone / Race / I Hear Your Voice / Hold Me / Allegiance / Your Love Is So Hard / The Voice / Rebirth Of The Flesh / Play In The Sunshine\* / The Ball / Crystal Ball / Joy In Repetition\*.

**Sources:** Outtakes. \*Same as officially released tracks.

**Quality:** VG to EX.

**Format:** CD.

**Comments:** Worthwhile release with five songs from the Glam Slam Ulysses production (taped in a Spanish club during the Act II tour).

## Holland 1992

**Format:** Double CD.

**Comments:** Re-release of Stage-tronic (Rotterdam, 28 May 1992).

## Housequake

**Format:** CD.

**Comments:** Re-release of The Regent Of First Avenue and other releases featuring Minneapolis, First Avenue, 21 March 1987. This is the complete concert, including the spoken intro.

## I Am The Undertaker

Deuce & A Quarter / Black MF In The House / Race / The Undertaker / Six / instrumental / Delirious / Blue Light / Come / Endorphinemachine / Peach / instrumental / House In Order / Johnny\*.

**Sources:** Kaufleuten, Zurich, 29 August 1993. \*Park Lane, Gothenburg, 6 August 1993.

**Quality:** VG+.

**Format:** CD.

**Comments:** Limited edition of 500 copies. The Kaufleuten aftershow is also available on Kaufleuten and Outrageously Live!

## I've Got 2 Sides

The Sacrifice Of Victor / Black MF In The House / Race / The Ride / Honky Tonk Women / Jailhouse Rock / Come / Endorphinemachine / Peach / The Undertaker / Sing A Simple Song - You Can Make It If You Try / House In Order.

**Sources:** Estandar, Barcelona, 22 August 1993.

**Quality:** VG+.

**Format:** CD.

**Comments:** "Johnny" is missing from this release. Released with two different covers.

## Insatiable

Girls And Boys (1) / Holly Rock (1) / Gett Off (2) / Glam Slam '91 (3) / If I Love U 2 Nite (3) / Mindbells (4) / Bliss (4) / Around The World In A Day (3) / The Lord's Prayer (3) / Another Lonely Christmas (5) / When The Saints Go Marching In (5) / Another Lonely Christmas (5) / Let's Go Crazy (5).

**Sources:** (1) Prince and Sheila E., 1985 or 1986, (2) MTV Video Music Awards, 5 September 1991, (3) studio outtakes 1984-90, (4) official tracks, (5) Purple Rain tour rehearsal 1984.

**Quality:** VG to EX.

**Format:** Three CD box.

**Comments:** Although it doesn't contain any rare material, this is a first-class release. The 24-page booklet contains information on the tracks and some rare pictures. Two

**Format:** Double LP.

**Comments:** Another pointless release not worth your money (unless you get it very cheaply).

## Intermission

The Sacrifice Of Victor / House In Order / The Undertaker / Black MF In The House / Race / Blue Light / Delirious / drum solo / The Ride / Bambi / Jailhouse Rock / Poor Goo / Come / Endorphinemachine / Peach / Pope - The P / America - Gett Off / Johnny / Deuce & A Quarter\* / Olcan\* / Six\* / Intermission\* / House In Order\* / instrumental / Peach\*.

**Sources:** Rex Club, Paris, 31 August 1993. \*The NPG support act, Paris, 31 August 1993. \*\*The Mirano, Brussels, 4 September 1993.

**Quality:** VG to VG+.

**Format:** Double CD.

**Comments:** This is the only release containing the Mirano gig. Released with two different covers.

## The Jam

Africa Talks To You / Erotic City / Mutiny / Outside Help / Controversy (jam) / instrumental\* / instrumental (bass line)\* / Old Friends 4 Sale\* / "Feel Like Jamming" session\*\*.

**Sources:** Detroit 1984. \*Outtakes. \*\*Rehearsal session.

**Quality:** VG to EX.

**Format:** CD.

**Comments:** Nice release of a loose and relaxed jam, containing the first performance of "Mutiny" and Sly and the Family Stone's "Africa Talks To You." The instrumental is listed as "Bonus Jam." It is called "Climax" or "Jamming Till The Dawn" on other releases, while "Outside Help" is usually called "Blues In G." Prince screams "Detroit" during the "Controversy" jam so the gig probably didn't take place at First Avenue's 7th Street Entry stage as has been believed.

## Jazz Dwarf

Eleven / Just My Imagination / Freddie Free-loader / Jack U Off.

**Source:** Fine Line, Minneapolis, 5 December 1987.

**Quality:** VG-.

**Format:** CD.

**Comments:** Instrumental set that Prince played as Fine Liners with Sheila E, Matt Fink, Eric Leeds, and Atlanta Bliss. The cover has most of the titles incorrect. The above track listing is tentative. Limited edition of 500 numbered copies. The CD was released in a paper sleeve, no plastic box.

## The Jewel Box

Lisa / Vibrator / Moonbeam Levels / U Call Me / Extra Lovable / Purple Music / Possessed / Do Yourself A Favour / Chocolate / Electric Intercourse / The Dance Electric / All Day, All Night / G-Spot / Manic Monday / Old Friends 4 Sale / All My Dreams / Baby, You're A Trip / Last Heart / Crystal Ball / The Ball / There's Others Here With Us / Data Bank / Movie Star / A Place In Heaven / Girl O' My Dreams / We Can Funk / Neon Telephone / Power Fantastic / Can I Play With U? / Wonderful Ass / Sexual Suicide / Eternity / Crucial / Rebirth Of The Flesh / If I Love U 2 Nite / Witness / Cross The Line / Alphabet St. (blues version) / In A Large Room With No Light / Cookie Jar / Murph Drag / Good Man / Your Love Is So Hard / Grand Progression / Schoolyard / Glam Slam '91 / The Flow. **Sources:** Outtakes. **Quality:** VG to EX. **Format:** Three CD box. **Comments:** Although it doesn't contain any rare material, this is a first-class release. The 24-page booklet contains information on the tracks and some rare pictures. Two

different re-releases exist: one is simply a copy of the original release (but with white discs instead of the coloured ones), while the other is a different edition, with a revised 24-page booklet and cover.

## The Jewel Box II

She's Just A Baby / Turn It Up / Irresistible Bitch / instrumental / Sex Shooter / The Bird / Heaven / Computer Blue / Around The World In A Day / High Fashion / Mutiny / Desire / Jerk Out / 100 M.P.H. / Little Girl Wendy's Parade / Can't Stop This Feeling I Got / Euphoria Highway / Love Or Money / Housequake / Rockhard In A Funky Place / Le Grind / Cindy C / Dead On It / Big Tall Wall / Alphabet St. / Girl Power / The Dopamine Rush Suite / Pink Cashmere / The Voice Inside / Electric Chair / Mindbells / Bliss / Love Machine / 9 Lives / Corporate World / Round And Round / Melody Cool / The Question Of U / Soul Psychodelicide / Open Book / I Wonder / Five Women.

Sources: Outtakes.

Quality: VG to EX.

Format: Three CD box.

Comments: The "follow-up" to *The Jewel Box*. Also a very nice release. The instrumental is usually called "Climax" or "Jamming Till The Dawn" on other releases.

## Jewels From The Vaults

Horny Toad / Gotta Stop (Messin' About) / Just As Long As We're Together / 4 The Tears In Your Eyes / Good Love / If I Love U 2 Nite / Batdance – Rave Unto The Joy Fantastic / Gett Off (Damn Near 10 Minute Mix) / Thunder / Alphabet St. Blues / Cruisin' Down The Highway / Do Anything / Love Song / Euphoria Highway / Ozymandius Overture.

Sources: Official tracks, mixes and outtakes.

Format: CD.

Quality: G to EX.

Comments: "Cruisin Down The Highway" is listed as "Tinkerbell Jazz," "Do Anything" and the instrumental "Ozymandius Overture" do not feature Prince. "Batdance" – "Joy Unto The Rave Fantastic" is an (unofficial) DJ remix. Quite good quality on most tracks (except "Alphabet St. Blues" which is awful), but the strange mix of official tracks, outtakes and "fakes" makes the release disappointing.

## Just Another Aftershow

Positivity / The Ballad Of Dorothy Parker – Four / Housequake / Just My Imagination / I'll Take You There / I Wish U Heaven / Cold Sweat / drum solo by Prince / percussion solo by Sheila E. / Lovesexy / Eighties medley – Chain Of Fools – It's Gonna Be A Beautiful Night / Batdance\*.

Sources: Warfield Theatre, San Francisco, 10 November 1988. \*Faked outtake.

Quality: VG.

Format: CD.

Comments: One of two American Lovesexy tour aftershows available on CD. The other is Roseland, October 2nd. Last track is not listed on sleeve.

## Just My Imagination (A Collection Of Love Songs)

Do Me, Baby (1) / Just My Imagination (2) / When 2 R In Love (3) / Venus De Milo (3) / Starfish And Coffee (3) / Raspberry Beret (3) / Condition Of The Heart (3) / Strange Relationship (3) / When 2 R In Love (3) / Anna Stesia (3) / Still Would Stand All Time (2) / Purple Rain (1) / Gett Off (4) / Little Red Corvette (1) / I'll Take You There (2) / Do Me, Baby (5).

Sources: (1) Dome, Tokyo, 31 August 1990, (2) Het Paard van Troje, The Hague, 18 August 1988, (3) Westfalenhalle, Dortmund, 9 September 1988, (4) MTV Video Music Awards, 5 September 1991, (5) New Orleans, 25 February 1982.

Quality: EX, except "Gett Off," which is VG.

Format: CD.

Comments: There's nothing new or exciting here. Releases like these are just a waste of time and money.

## Kaufleuten

Deuce & A Quarter / Black MF In The House / Race / The Undertaker / Six / instrumental / Delirious / Blue Light / Come / Endorphinemachine / Peach / instrumental / House In Order.

Source: Kaufleuten, Zurich, 28 August 1993.

Quality: VG.

Format: CD.

Comments: Limited edition of 500 numbered copies. The first 10 copies came in a LP box with a white tie, an NPG pin, a 1993 live photo and an eye hologram.

## Le Bataclan

Gold / The Jam / I Believe In You / Interactive / Days Of Wild / Now / The Ride / Acknowledge Me / Dark / instrumental / Solo Race / Peach / drum solo / Endorphinemachine\*.

Sources: Le Bataclan, Paris, 5 May 1994. \*Live on French TV (Canal+), 5 May 1994.

Quality: VG+.

Format: Double CD.

Comments: A very nice release, containing the first known live performance of "Gold." Comes with a professionally designed eight-page booklet.

## Let's Go Crazy

Format: CD.

Comments: A re-issue of the first half of the *Flesh For Fantasy* double CD (Carrier Dome, Syracuse, 30 March 1985). From "Let's Go Crazy" to "How Come U Don't Call Me Anymore."

## Let The Games Begin

The Ride / Poor Goo / Honky Tonk Women / Bambi / Jailhouse Rock / The Undertaker / I'll Take You There / Calling You / Well Done / Heart In My Hand / Deuce & A Quarter / Call The Law / Johnny / House In Order / Come / Endorphinemachine / Peach.

Source: Bagley's Warehouse, London, 7 September 1993.

Quality: VG.

Format: CD.

Comments: The last performance of the Act II tour. Some tracks feature guest performances by Mavis Staples, Jevetta Steele, the Steele Family, and The NPG featuring the Game Boyz. A limited edition of 1,000 copies.

## Licence To Funk

My Name Is Prince / Sexy MF – Love 2 The 9's / Damn U / The Max / The Morning Papers / Peach / Blue Light / The Continental / Everybody Get On Up – Get On Up – Tighten Up / The Flow / Johnny / Eye Wanna Melt With U – Sweet Baby – And God Created Woman – 3 Chains O' Gold / instrumental / 7 / Let's Go Crazy / Kiss / Irresistible Bitch / She's Always In My Hair / Insatiable / Scandalous / Gett Off / Goldnigga / Purple Rain / Partyman – Loose / 1999 – Baby, I'm A Star – Push.

Source: Radio City Music Hall, New York, 24 March 1993.

Quality: VG.

Format: Double CD.

Comments: An uneventful Act I concert.

Sources: Palais Omnisport de Bercy, Paris, June 1987. \*Los Angeles rehearsal 1991. \*\*Ahoyhal, Rotterdam, 28 May 1993.

Comments: One in a series of awful German CDs called *Live & Alive*. The number of this CD is imm 40.90191 (so you can separate it from the others with the same title).

## Live & Alive

Format: CD.

Comments: Re-release of part of *Stagetronic*. The number is imm 40.90192.

**Sources:** Songs that were broadcast on a few radio stations in Europe and \*unreleased single.

**Comments:** Same contents and quality as Licence To Funk, New York, 24 March 1993.

## Pink

**Format:** CD.

## Play With Me Baby

Girl Power / Witness / Different Kind Of Thing / Can I Play With U? / Movie Star\* / Baby Go-Go\*\*.

**Sources:** Outtakes, \*Miles Davis live 1987, and \*\*1987 rehearsals.

**Quality:** G to VG.

**Format:** CD.

**Comments:** The overall poor quality makes this release very disappointing. "Witness" and "Can I Play With U?" run too fast, while "Different Kinda Thang" is not an outtake, but straight from Tony Le Mans' album (CD version). The only interesting aspect is Miles Davis' 1987 version of "Movie Star," even though the quality isn't too good.

## Possessed

**Format:** CD.

**Comments:** Same quality and contents (one track added, "U Call Me") as the previously released CD called Possessed.

## Prince & The New Power Generation

Damn U / Sexy MF / Thieves In The Temple – It / A Night In Tunisia – Strollin' – Insatiable / Gett Off / The Flow / Cream – Chain Of Fools / 1999 – Baby, I'm A Star – Push – A Love Bizarre – My Name Is Prince / Call The Law / Intro / Thunder / Daddy Pop / Diamonds And Pearls / Let's Go Crazy / Kiss / Dead On It – Jughead / Purple Rain / Live 4 Love / Lively Up Yourself – Delirious – Willing And Able.

**Sources:** Earl's Court, London, 24 June 1992.

**Quality:** VG.

**Format:** Double CD.

**Comments:** One of three 1992 London concerts on CD. The first disc contains the second part of the concert and vice versa.

This was one of the most exciting London shows, with the performance of "Call The Law" long after the house lights had been turned up. The song is titled "Gettin' Physical" on the cover and there are numerous other mistakes.

## Prince In Rehearsal

Eye Wanna Melt With U / Villanova Junction / New Power Generation / Blue Light – Georgia On My Mind / The Max.

**Source:** Rehearsals in Ahoyhal, Rotterdam, 7 and 8 July 1992.

**Quality:** VG.

**Format:** CD.

**Comments:** Excellent release from the Diamonds And Pearls tour. Fantastic 30-minute workout of "Eye Wanna Melt With U." "The Max" is almost 20 minutes long.

**Source:** Nude tour rehearsal, 1990.

**Quality:** EX-.

**Format:** Double CD.

**Comments:** Put together from several Nude tour rehearsals. "Sex," "Erotic City," and "Let's Work" might even be from earlier, possibly late 1989.

## Prince's Erotic City

Erotic City / Housequake / Slow Love / Adore / Delirious / Jack U Off / Sister / Adore / U Got The Look / I Wanna Be Your Lover / Head / When You Were Mine / Little Red Corvette / Pop Life / Controversy / Dirty Mind / Superfunkycalfraigissex / Controversy / Bob George / Anna Stesia / Cross The Line / Eye No / Alphabet St. / Glam Slam / The Cross / I Wish U Heaven / Kiss / Dance On / Let's Go Crazy / When Doves Cry / Purple Rain / 1999 / Positivity / Lovesexy / Eighties medley / Chain Of Fools

**Source:** Lovesexy tour rehearsals 1988.

**Format:** Double CD.

**Quality:** EX-.

**Comments:** Great rehearsal for the Lovesexy tour (probably at Paisley Park). Includes a terrific version of "U Got The Look." The "80's" medley is also a nice inclusion.

## Princepower

She's Just A Baby / \*I Don't Wanna Stop [Ren Woods] / Extra Lovable / I Wonder / The Bird / I Wish U Heaven / Positivity / Cross The Line / Girl Power / The Dopamine Rush Suite / Electric Chair / Love Machine / Data Bank / Shake! / The Latest Fashion / Seven Corners / Player / Uh Huh! / The Voice / Good Man / Power From Above / Carmen On Top / Powerline.

**Sources:** Outtakes and \*official release.

**Quality:** VG to EX.

**Format:** Double CD.

**Comments:** Another first-rate outtake compilation. Even though "I Don't Wanna Stop" isn't an outtake, it is an interesting inclusion since the song is so rare.

## Princesex

Computer Blue / Wonderful Ass / Jerk Out / Bliss / Mindbells / Murph Drag / 9 Lives / Corporate World / The Question Of U (I) / The Question Of U (II) / Sex / Open Book.

**Sources:** Outtakes.

## Purple

**Format:** CD.

**Comments:** Re-release of Roseland.

## The Purple Decade

**Format:** LP.

**Comments:** New cover but otherwise identical to the previous release of the same title (Birmingham, 6 August 1988).

## Purple Palace (Touring Australia April '92)

The Flow / Call The Law / Housequake – Make It Funky / When You Were Mine / Gett Off / Red House / Damn U / My Name Is Prince / Sexy MF.

**Source:** The Palace, Melbourne, 21 April 1992.

**Quality:** VG.

**Comments:** A rare Australian CD of one of the few unannounced appearances on the Diamonds And Pearls tour. The track listing on the sleeve contains many mistakes.

## Purple Prince At Court

The Continental\* / Sexy MF\*\* / Intro / Thunder / Daddy Pop / Diamonds And Pearls / Let's Go Crazy / Kiss / Dead On It – Jughead / Purple Rain / Live 4 Love / Lively Up Yourself – Willing And Able / Damn U / Sexy MF / A Night In Tunisia – Strollin' / Insatiable / Gett Off / The Flow / 1999 – Baby, I'm A Star – Push – A Love Bizarre – The Glamorous Life – My Name Is Prince.

**Sources:** Earl's Court, London, 23 June 1992. \*Played on the PA before the show. \*\*The promo clip, also aired before the concert.

**Quality:** VG.

**Format:** Double CD.

**Comments:** Not as good as Stagestruck, but still quite decent sound quality. Lots of mistakes are made on the sleeve ("Damn U" listed as "Nothing Compares 2 U" for example).

## Purple Rain

**Format:** CD.

**Comments:** A re-issue of the second half of the Flesh For Fantasy double CD (Carrier Dome, Syracuse, 30 March 1985). From "Let's Pretend We're Married" to "Purple Rain."

## Rare Tapes

**Sources:** Outtakes and demos.

**Quality:** G to VG.

**Format:** CD.

**Comments:** Basically a re-release of Uncut Diamonds with a few extra tracks. Disappointing sound quality.

## Rareprince

She's Just A Baby / Turn It Up / Feel U Up / Irresistible Bitch / I Wonder / G-Spot / Euphoric Highway / Crystal Ball / The Ball / Joy In Repetition / Big Tall Wall / Alphabet St. / 17 / 18 / 19 / 20 / 21–24 (The Dopamine Rush Suite) / My Summertime Thang / Get Blue / Old Friends 4 Sale / The Voice (I) / The Voice (II) / 5 Women

**Quality:** G to EX.

**Format:** Double CD.

**Comments:** Contains several tracks that aren't available on other releases, including "All That" (Carmen's version of "Adore") and two versions of "My Name Is Prince" that differ from the released song. "Come" is listed as being played live at Club USA, New York, 26 March 1993, but it is really a studio version that was played before one of the Los Angeles concerts.

## Red

**Format:** CD.

**Comments:** Another re-release of the New Morning show, Paris 1987.

## Red

Come Outside And Play / Obey Doop / Thieves In The Temple / God Is Standing At Your Side\* / Boys Will Be Boys\* / Goodbye\* / Brand New Boy\* / Good Man\* / My Tree / Eliminate The Negative / Tony's Ignant Mix / Love... Thy Will Be Done / The Juice / The Ryde Dyvine / Thunder.

**Sources:** Outtakes. \*With MC Flash.

**Quality:** VG+ to EX.

**Format:** CD.

**Comments:** Prince's involvement in the MC Flash material is uncertain. "Thunder" is the extended version Prince recorded for The Thunder Ballet, while "Thieves In The Temple" is a bluesy acoustic version. "The Juice" is a left-over from Carmen Electra's album sessions. Very attractive release with eight-page booklet.

## The Red Album

**Comments:** A nice release which focuses on the 1986 Minnesota Music Awards. Last two songs not listed on sleeve. The album is limited to 500 copies.

## Rock 2 The Flow

**Format:** Double CD.

**Comments:** Re-issue of Funk U Up (Tokyo 1992).

## Roseland

**Source:** Roseland, New York, 2 October 1988.

**Quality:** VG+.

**Format:** CD.

**Comments:** Despite the 1990 Nude tour cover photo, this release is very nice with a complete Lovesexy after-show. Patti LaBelle guests on stage.

## Rude Boy

My Lord\* / People Without\* / Paisley Park\* / Manic Monday / Underground\* / Still Would Stand All Time / Sleazy\* / Elephants And Flowers / The Grand Progression / Al-

**Format:** Double CD.

**Comments:** A terrific concert, towards the end of the Diamonds And Pearls tour, with rare inclusions of "Bambi" and Jimi Hendrix's "Villanova Junction." The title of the album is wrongly spelt (should be "Rhythm"). 1,000 numbered copies.

**Format:** CD.

**Comments:** A great rehearsal with The Revolution, some time in May 1984. A few tracks have a disturbing humming tone, but otherwise the quality is excellent since it is a soundboard recording.

## Corrections to UPTOWN #4:

1) The White Album, containing Dortmund, 9 September 1988, is a single CD, not a double CD as we wrote.

2) There is only one single CD of His Royal Badness, not two as we stated. The two CD covers on page 12 belong together, the cover of "CD II" is just the backside of the cover of "CD I."

# THE DEFINITIVE PRINCE BOOK OF DISCOGRAPHY

# HOT & COLD THING

by Pierre Igot

**I**T'S NOT SO EASY to find bootlegs. It's not so easy to listen to them. It's not so easy to talk about them.

I remember my first Prince bootleg. I had known about the existence of Prince bootlegs for a while already, but I still had a kind of idealistic conception of an artist and his work that made me refuse to let myself buy or even listen to any of these mysterious and (at the time) expensive records.

I remember the first time I listened to this first bootleg. It was a recording of the 1987 Paris club concert at the *New Morning* nightclub. I tried first with my headphones (I had always enjoyed Prince's music the most when listening to it with headphones, and my most interesting musical experiences come from this kind of listening — so far), but the background noise was so loud (to my delicate ears at the time) that I decided right away to switch to a low-volume listening from speakers.

It was already dark outside and I only had a small dim light on. It felt like a kind of incest (that's what I wrote at the time). I liked it, but I felt guilty. Not at all because of the fact that, by buying this kind of record, I was doing something illegal (I still don't know exactly what's really illegal about bootlegs anyway), but because I was perhaps doing something "Prince" (at least the human image of him I was trying to communicate with when I was listening to his music) didn't want me to do — even though it was a concert recording and there had been people listening to him I had heard about Prince forbidding people to tape his concerts, to take photographs or to do anything that could enable people to keep track of his work without his own control, so I knew that, in some way, he didn't agree with what I was doing. I felt he considered a concert — particularly a club concert — as something unique and ephemeral that should only continue to live in the memory of the happy few that were there at the time.

## The Fan and the Collector

As a Prince fan, I have evolved a lot since then. I've listened to many bootlegs, not only of concerts, but also of unreleased studio recordings. I have discovered some fabulous songs. I have had several fantastic musical experiences with bootlegs, just like the ones I had and still have sometimes with what we call "official" releases. I don't think I still have this idealistic romantic concept of an artist that I had at the beginning (and that has not only to do with Prince). But I still have this feeling of guilt when I think about it.

I think that's the way the "Collector" and the "Fan" fight against each other inside me. Ideally, they should complement each other, the former helping the latter to have the most numerous and the most fantastic musical experiences he can have. But they don't.

Sometimes they do, though. Sometimes I listen to a song (like, say, "Corporate World"), I like it a lot, I listen to it again, and again, when I'm not listening I think about it for a while — and I can't find any other reasons than purely commercial ones for Prince not having released this song. Perhaps it's because of the one-year production-of-a-10-track-record/promotion-of-this-record/relax cycle that we feel Prince hated so much but had to follow: « This is a guy who is simply uncomfortable with the confines of the 1990s industry and the constraints it puts on a prolific artist... The idea that

you're dictated to: 'Okay, you make a record this month, you release it that month, you sit on your ass for three months, you tour for three more months, you sit on your ass another three months' — that's not the kind of guy Prince is. » (Alan Leeds, *Rolling Stone*, June 10th, 1993). Or perhaps it's because (like in the case of "Corporate World") he had to leave some room for other people's involvement. So I feel no guilt. I say to myself that Prince would have released the song if he had been able to. It's the same thing for the concerts: sometimes I feel I bought the bootleg just like I would have bought a ticket to the concert, and I enjoy it in almost the same way. Proust said somewhere, about paintings, that we shouldn't be allowed to buy a painting and own it (and hide it or resell it etc.), but only to buy our right to look at it. The record industry has, in many regards, accomplished this in the field of musical works: when you buy a record, you don't buy the actual piece of work of the artist, but the right to listen to it as many times as you want (which is quite nice and generous if we think about it). And perhaps bootleg trading is only trying to fill the gap between our now a bit old-fashioned music business and the true musical circuit of the future... Maybe Prince and his fans are a bit early in terms of music history and have to cheat — by using the bootleg shortcut — as long as they want to build a relationship that goes beyond the "commercial" logic that sees the listener as a mere consumer. Maybe the bootleg "business" and its offshoots are a way of establishing a kind of immediate complicity with the artist that he himself wouldn't like to suppress and isn't trying to. Besides, the N.P.G. Store is now selling records that aren't available anywhere else...

## Old Friends 4 Sale

However, at many other times the Collector and the Fan don't agree at all. It seems that the Collector is obliging the Fan to listen to songs he shouldn't listen to (because they are only "rough copies"), or concerts he shouldn't listen to because he wasn't there at the time and it's now too late. I already know the song entitled "Old Friends 4 Sale", I like it a lot, it does something to me, but maybe it'll be released some day by Prince or another artist and I will never be able to discover it the way the "official" Prince wanted me to discover it anymore (which is unfortunately what happened to many fans with *Graffiti Bridge*). Maybe Prince will "officially" release his whole collection of approximately 500 unreleased tracks and I won't enjoy them the same way because I'll already know many of the songs, I'll have to realise that I've become used to the bad or mediocre quality of the bootlegs, that it has become part of the songs for me — and I'll feel guilty for not having waited, for not having been able to wait till he decides to release them, for having succumbed to the evil charms of an evil trade that had nothing to do with art and integrity — I'll feel like I wasted the chance of a wonderful experience (this complete access to the Vault we're all dreaming of) just because I wasn't strong enough to resist, confident enough to wait for him to decide, to wait for him to find the best way to reach me...

Nevertheless, now I think we're all heading to a new phase. Indeed, it may be that for the very first time we have an artist that, without being "damned"

(maudit like a poet), is not at all subject to the vicious and inevitable cycle of rise, success and fall of which bootlegs can be considered a symptom.

## A Grand Progression

Prince seems to have "assimilated" the bootleg problem, he seems to have integrated it into his work and he even sometimes seems to be able to play with it.

Look at the fact, for example, that he has had some of his nightclub concerts recorded (as we can see in the 1989 Paisley Park documentary, that contains an excerpt from the 1988 Camden Palace concert).

Look at the *Black Album*, the withdrawal and the message in the "Alphabet St." video, and the apparently contradictory fact that he played two of the tracks on the *Lovesexy* tour ("Superfunkycalfragisexy" and "Bob George")... Prince seems to consider that the *Black Album* was too "dark" for some people, but not for other people! In other words, he knows perfectly well how to deal with different kinds of audiences. In the end, this doesn't sound, at all, like a condemnation of the bootleg trade...

Look at "Gett Off", which was actually only planned as an "official bootleg" at first and was eventually included in *Diamonds And Pearls*. Here again, Prince seems to address different audiences at the same time, and gives his fans (the ones who follow him closely enough) the privilege to see him at work (having ideas, changing his mind, etc.), while the general public simply feeds on the "tip of the iceberg" (and not always likes it). And we can also see Prince "at work" if we consider the 'Get off' path that leads from "Mutiny" through "Housequake" and "Get Off" to the actual "Gett Off" and "Gangster Glam" and "Violet The Organ Grinder".

Look at the series of "samples" of songs on the *Carmen Electra* album for example: anybody who has a certain knowledge of Prince's recent work has recognised not only excerpts from officially released tracks (like "With This Tear" by Celine Dion), but also excerpts from tracks that weren't released at the time *Carmen Electra* was (like Monie Love's "In A Word Or 2" or Mavis Staples' "The Voice") and even excerpts from tracks that are not released yet, and perhaps never will be. It seems that Prince enjoys playing with his most faithful fans and sometimes likes to "tease" them with this kind of intimate hinting.

## In the distance...

I could go on and on and on... There's a whole list of examples (the release of "The Most Beautiful Girl In The World" single through independant record stores being one of the most recent ones) that show us how accurate Prince's awareness is of the diversity of his audiences and how important this can be in his creative process (and he might be significantly less scornful of the "general public" than many of his fans are). Prince's ambition is to introduce as many of us as he can to a new kind of approach to art and creation. That's the whole meaning of this "New Power" thing. True Prince fans know this is not easy, they know they have to strive as hard as he has to, they know that sometimes they won't understand, they are cautious, patient and ready to modify their opinions and their perception of things — and they regard bootlegs with the necessary distance. ■
